

School District of Newberry County - Contract for Bus Riders

I will always have a responsible adult at the bus stop if I am unavailable to get my elementary child off the bus.

I will promise to have my child to the bus stop on time.

I will be responsible to pay for any damages that my child commits while riding the bus.

I understand if my child does not ride the bus for a week and I do not notify the bus office, I will have to sign another contract to get back on the bus.

I will contact the transportation supervisor whenever I see anything wrong with the bus or bus driver.

I understand that my child will receive safety instructions at school during the school year.

I have told my child how to act responsible, when on a school bus.

I will let my child know to sit in his or her assigned seat everyday.

I will take my child to school or have a responsible adult to take my child to school if he or she is put off the bus.

If my child is put off the bus for a period of time, I will accept it as discipline.

If my child gets off the bus at an unassigned stop, I will have to pick him up and my child will be suspended from the bus.

I will inform my child that he or she will not be allowed to eat on the bus.

I will have to sign another contract if I move during the school year and have to ride a different bus.

I will inform my child to follow all rules and regulation for riding the school bus.

I have read and I fully understand the transportation offenses and consequences.
